the community and the police?”**

**The L.O.V.E. Is The Answer Movement is committed to improving police-community relations.
WE ARE SEEING POSITIVE RESULTS WHEREVER L.O.V.E. IS IMPLEMENTED.**

1. WATCH THE FILM

Watch the award-winning film “WALKING WHILE BLACK: L.O.V.E. Is The Answer” with others, discuss it with them, and encourage other groups of people to do the same. Although it’s usually best for everyone to be in the same room, you don’t have to be, especially during COVID-19. You can watch the film online separately on your own time and then gather on a conference call, FaceTime, or Zoom to discuss. If your organization is an official licensee, you can gather a group together online for a group screening and discussion. You can even use the same proven official discussion guide we have used at hundreds of packed screenings nationwide! The film can be rented here for personal-use viewing: <https://vimeo.com/ondemand/wwb3dayrental> (see #2 on the next page to learn how to own the film for free!). For group licensing info, email ajaliwins@gmail.com.

“A.J. Ali’s critically acclaimed film, *WALKING WHILE BLACK: L.O.V.E. Is The Answer*, was just the beginning. This book takes his *L.O.V.E. Is The Answer* message to a whole new level.” — Louis L. Reed, National Organizer, #Cut50

2. READ THE BOOK

Read the book “L.O.V.E. Is The Answer,” which is the companion book to the film. This award-winning book is a transformative, life-changing experience — not just for improving police-community relations, but for improving family relationships and relationships in general. L.O.V.E. Is The Answer is a guidebook for learning how to love our neighbor. Read it with others, discuss it with them, and encourage other groups of people to do the same. Perfect for book clubs or small groups to read and discuss a different chapter every day or a couple of times a week. When you purchase the Director’s Edition of the book, which is available in paperback, you get the film to download and own for personal viewing for free! Get the book and film combo here: <https://loveistheanswermovement.com/the-book/>

3. DO THE WORK!

The L.O.V.E. Is The Answer book includes 25 chapters outlining things anyone can do to put L.O.V.E. into action in their community. Pick one of the 25 action steps and get to work. For example, get together with three or four other people and form a Mentoring Circle around a returning citizen or a young person and act as their personal advisory board to help them thrive and reach their life goals. Or, create a L.O.V.E. Garden, where a group of peace officers and other community members build a children's learning garden, maintain it together, and feed people in the community together who are food-insecure. For more info about doing the work, visit: <https://loveistheanswermovement.com/>.

Join the movement. Be the change.

Watch the film. Read the book. Do the work.
