

2021-22 "L.O.V.E. Is The Answer" Training Programs & Pricing

What is "L.O.V.E. Is The Answer?"

L.O.V.E. Is The Answer is a movement, a mantra, and a way of life. The L.O.V.E. acronym includes four action steps we are teaching, best explained through the L.O.V.E. Is The Answer pledge: *I pledge to LEARN about the people in my community, to unconditionally OPEN my heart to their needs as if they were all immediate family members, to VOLUNTEER to be part of the solution in their life during both good and challenging times, and to EMPOWER everyone I meet to do the same as if our lives depended on each other.* These principles are for everyone, and can be used at work, at school, at home, and everywhere else. We want to make L.O.V.E.-Based Policing the official national standard for community policing, and we want to make L.O.V.E.-based living the standard for how we all treat each other.

L.O.V.E. Is The Answer training improves diversity, equity, inclusion, corporate social responsibility, community relations, conflict resolution, mentoring, leadership development, recruiting, team building efforts, and more!

Who can use L.O.V.E. Is The Answer? Companies, law enforcement agencies, schools, ministries, nonprofits, community groups, families, and other groups of people who want to experience the best that life has to offer them.

Having the Director of the film participate with your group in an online Q&A session, along with other special guests from the film and/or book, raises the excitement level of any screening. There are no travel arrangements to make, no weather contingencies to worry about, and scheduling is relatively easy. Usually with just a couple weeks notice, we can coordinate a time and day that works for everyone. As a Licensee, you can host the virtual event or hold a live in-person event and “beam” the Director in via Zoom on the large screen, with cameras also on your event host/moderator and the audience for a fully-interactive special event. Great for community conversations, law enforcement in-service trainings, school assemblies, film school classes, and many other groups. Cost is \$2,000 for a Q&A session of up to 90 minutes. May be done in conjunction with a film screening or separate from a film screening.

4. * A MUST HAVE *** THE BOOK: The L.O.V.E. Is The Answer book is the MUST HAVE companion to the film, or for casual reading, book clubs, small groups, school classrooms, police academies, law enforcement agencies, companies, nonprofits, ministries, and libraries.**

Contributions of compelling essays by twenty-nine renowned relationship and community-policing experts complete this must-have guidebook that can transform policing in America, help marriages, and help people learn how to love their neighbor or even their enemy. It's the perfect book for our troubled and divisive times!

The Director's Edition of the L.O.V.E. Is The Answer book (while supplies last) includes a bonus free download of the award-winning film “WALKING WHILE BLACK: L.O.V.E. Is The Answer” to own for personal viewing (a \$30 value). Learn more and order the book now at <http://loveistheanswermovement.com/the-book/>. 6. *** A MUST HAVE *** MENTORING CIRCLE TRAINING:

There are many obstacles in the way of unity these days. Managing and resolving conflict, and achieving unity in communities, including the workplace, has become harder and harder. "Cancel culture," is happening in real time with most of us being fed a steady diet of bias-supporting propaganda through social media, news media, and other sources. It's like Pandora's Box has been opened and no one can figure out how to control it.

Something is broken. We need a plan to fix things.

Dr. Martin Luther King Jr. popularized the term "Beloved Community" during the Civil Rights Movement of the 1960's. From <https://thekingcenter.org/about-tkc/the-king-philosophy/>: *"Racism and all forms of discrimination, bigotry and prejudice will be replaced by an all-inclusive spirit of sisterhood and brotherhood. In the Beloved Community, international disputes will be resolved by peaceful conflict-resolution and reconciliation of adversaries, instead of military power. **Love and trust will triumph over fear and hatred.** Peace with justice will prevail over war and military conflict."*

So how do we (company, ministry, school, law enforcement agency, nonprofit organization, town, city, county) become a "Beloved Community?" Enter L.O.V.E. Is The Answer — a movement and a way of life.

L.O.V.E. Is The Answer is a roadmap leading us into the space where the Beloved Community can thrive.

L.O.V.E. Is The Answer Mentoring Circle Training is the ultimate solution for transforming culture, strengthening internal and external relationships, increasing corporate social responsibility, preparing leaders, and equipping your team members to perform at higher levels with a more balanced, wellness-oriented mindset and lifestyle. Our Mentoring Circle Training is also a revolutionary, highly-effective tool for engraining principles of diversity, equity, inclusion, and anti-racism within your team members at the cellular level without blaming or shaming anyone.

Originally created as a bridge to heal the divide between police and people of color, and proven to work in even the most volatile of situations, L.O.V.E. Is The Answer has become a movement and way of life that is sweeping the U.S. and the world. L.O.V.E. Is The Answer started with the award-winning film, "WALKING WHILE BLACK: L.O.V.E. Is The Answer" in 2017, after 4 1/2 years of development that started in 2012. L.O.V.E. Is The Answer teaches people how to love themselves and others. The success that we've experienced in improving police-community relations proves that "L.O.V.E." is truly the answer for individuals, organizations, and entire communities that are desperately in need of finding common ground.

L.O.V.E. Is The Answer Mentoring Circle Basic Training

This 17-week program is designed for individuals, families, companies and other organizations that desire to develop a deeper understanding of the L.O.V.E. Is The Answer principles and how to apply them in real life with other people. This is perfect for anyone who wants to give back and make a difference in their family, organization, or community. L.O.V.E. Is The Answer Mentoring Circle Training is the gold standard of empathy-based leadership training for every peace officer, social justice advocate, ally, mentor, manager, or anyone who wants to uplift others or become a better leader.

The L.O.V.E. Is The Answer Workshop is an innovative one-of-a-kind full-day personal development experience. The workshop begins with a primer on the Aloha-inspired L.O.V.E. Is The Answer

principles that made the film a hit, then continues with the film, and then goes into a deep dive into putting L.O.V.E. into action in the community in real, tangible, meaningful ways.

One of the strengths of the L.O.V.E. Is The Answer workshop is that peace officers and other community members, including students, people impacted by the criminal justice system, business people and others, learn and grow together — not on separate islands. They learn how to become “Ohana” — family. This workshop not only saves lives, it enhances and transforms entire communities.

L.O.V.E. IS THE ANSWER WORKSHOP HIGHLIGHTS INCLUDE:

- Fun small-group exercises that establish and/or deepen relationships.
- Framing the Issues: rapid-fire discussion about some of the challenging issues existing between police and other community members.
- The award-winning WALKING WHILE BLACK: L.O.V.E. Is The Answer film, Q&A with the director, and discussion.
- A deep dive into the powerful and transformative L.O.V.E. Is The Answer Principles:
 - LEARN (about the people around you) instruction and exercises.
 - OPEN (your heart to their needs) instruction and exercises.
 - VOLUNTEER (yourself to be part of the solution in their life) instruction, exercises and practical application.
 - EMPOWER (others to do the same) instruction and exercises based on Ho’oponopono, the ancient Hawaiian practice of reconciliation and forgiveness.
- Self-care sessions.
- Action steps: exploring, committing to and building out practical, proven ways of implementing the L.O.V.E. Is The Answer principles in your community. Examples of these action steps include creation of a Children’s Learning Garden, refurbishing of a community center, and the formation of mentoring circles around young people and people impacted by the criminal justice system.
